*Information Disclosure Statement*

The Information Disclosure Statement (IDS) filed 05 January 2002 has been considered.

The following comments are made by the Examiner.

The pictures (figures 1,2) of the SALTON Inc. foot stand with a purported copyright mark of 1990 does not appear to meet or fairly teach the limitations claimed in the application. In particular, the pictures do not appear to show or disclose a continuous bottom supporting surface or the feet being positioned together to form a single heel portion.

The pictures (figures 3,4) of the SALTON Inc foot stand with a purported on sale date of March 1999 are noted, but do not appear to be available as prior art since the instant application has an effective date of at least 30 December 1996.
